We will meet at:  
Virginia Transportation Research Council  
530 Edgemont Road

The standing agenda items for the September 22, 2016, meeting of the panel will be suspended. Panel members will tour the Berkmar Extension and Rt 29 Widening projects.

No new agenda items will be discussed and no new business will be conducted.

**NOTE:** Because this tour is off-site from the usual meeting place, the tour will not be live-streamed. Also, because of the limited space available, the tour will only accommodate panel members, the VDOT technical team, local Commonwealth Transportation Board members, and media representatives.

The October 6 panel meeting will return to the regular venue with open public seating and live-streaming.
